Our culture and values: An open opportunity society for all

The Western Cape Department of Agriculture is committed through this Service Charter to provide you with the quality services you deserve. Let's make service delivery BETTER TOGETHER.

In carrying out our mandate and responsibilities, we will be guided by and uphold the eight BATHO PELE (People First) Principles.

VISION: A united, responsive and prosperous agricultural sector in balance with nature.

You have the right to:
- Be treated with courtesy and respect and in a dignified manner at all times
- Be consulted about your service needs and the level and quality of service expectations
- Be informed upon an open and transparent manner
- Access prompt and efficient service in accordance with the service delivery standards
- An apology for and redress should any service lapse occur
- An assurance of value for money in all services provided

We expect you to:
- Be civil, courteous and respect the dignity of our officials who render the service to you
- Be honest in your deliberations with us
- Submit full and accurate information accompanied by recently certified copies of documentation needed or requested
- Make yourself available as well as be willing to undergo empowerment programmes agreed upon
- Embrace open application and implementation of plans, initiatives and advice received from the Department.

Our Commitment:
- We will respond to all our e-mails within 48 hours
- We will answer telephone calls within five rings. Missed calls or voice mails will be responded to within 12 working hours after automatic redirecting thereof on the officials' computer
- When you write to us we will acknowledge receipt of your letter within 3 working days.
- When we send a reply within 10 working days if we cannot give a reply within ten working days we will explain why and tell you when we can expect a reply
- When you send in an application or request, we will provide a fair and objective assessment based on the information submitted
- We will give you informed, useful, usable and constructive feedback.
- All complaints and correspondence pertaining to agricultural matters made to the Minister of Economic Opportunities by clients will be responded to in an efficient manner within 5 weeks after receipt thereof.

ACCESSIBILITY: Our buildings are accessible for people with disabilities.

For your nearest agricultural service point, please dial the numbers or visit our website mentioned at the bottom of this page and click on "About Us/Contact Us". The health and safety of our clients are important: All Safety and Covid-19 protocols are observed.

- Implementation of youth interventions to address unemployment and promote local economic development in rural areas of the Western Cape Province.
- Facilitate awareness sessions regarding rural safety with agricultural stakeholders, and engagements with related safety structures.

MAIN SERVICES TO CLIENTS

Goverance:
- Provide and adhere to good corporate governance principles and practices, including diligent financial management, the appointment and performance of management, the promotion of appropriate communication and collaboration with clients, other Departments (National, Provincial and Local government level) and international agencies, within the context of the BATHO PELE PRINCIPLES and Inter Governmental Relations requirements.

Knowledge Transfer:
- Develop economically accountable and environmentally sustainable cutting-edge technologies in all spheres of agriculture production, processing and marketing with due consideration of current and future needs of all farmers and consumers nationally regionally and internationally in a changing environment, to enhance competitiveness and to expand agricultural production for increased growth and development as well as promoting agricultural job opportunities.
- Train prospective and current agriculturalists, farmers and agri-workers in the agricultural sector and promote career opportunities in agriculture.
- Deliver a competitive and appropriate farmer support service (including extension) to a broad spectrum of clients, with emphasis on existing and potential farming sector on a geographically determined basis.
- Provide agricultural economic information and services for effective decision making in the agricultural and agribusiness sector.
- Provide research and technology development information and services to the farming sector to ensure sustainability and in support of climate smart agriculture.
- Provide research and development information and services to farmers to increase the efficient use of our agricultural water resources especially in view of the impact of climate change on our Province.
- Regulatory function
- Monitor and minimise animal health risks as well as to ensure food security by means of food safety and to facilitate the export of animals and animal products.
- Promote the conservation and sustainable use of the environment, especially our agricultural natural resources (land and water) and to prevent the fragmentation and reducing of agricultural land.
- Financial support for agriculture
- Manage and facilitate financial support for farmers at all levels of production, including CASP, LandCare, land protection subsidies, BMA, BtLA, bursaries for agricultural training and education as well as disaster relief funds as allocated from time to time.

Report any instances of fraudulent or corrupt activities by contacting the National Anti-Corruption Hotline at: 0800 701 701 or 021 483 0901.

Your voice counts. We want to hear from you. You can tell us how we are doing and performing, or report poor service or misconduct by requesting to see a supervisor. Or you can contact our Communication unit:
