**SUBJECT: UPDATE RE: COVID-19 | SUSPENSION OF CLASSES:
EISENBURG AGRICULTURAL TRAINING INSTITUTE**
SCOPE: ALL STUDENTS AND STAFF
FROM: MS HAYLEY RODKIN: PRINCIPAL: EISENBURG AGRICULTURAL TRAINING INSTITUTE
DATE: 24 MARCH 2020

Dear Student,

On Monday, 23 March 2020, President Cyril Ramaphosa announced that South Africa will enter a 21-day lockdown commencing at midnight, Thursday 26 March and lasting until 16 April 2020.

The lockdown is in a bid to reduce the overall number of infections and to delay the spread of infection over a longer period. All non-essential businesses and services will be shut down during this period and South African's are urged to stay at home and avoid physical contact during this period.

As a result of this announcement, the Eisenburg Agricultural Training Institute (EATI) will be closed during the lockdown period. Discussions are currently under way regarding the way forward and will be communicated to all students timeously.

Please check your email or visit the [EATI COVID - 19 Updates website](#) for updates.

Regards,

Ms. H. Rodkin

Principal: Eisenburg Agricultural Training Institute
