## 2. PAYMENTS

### 2.1 Payment Modes

Annual student fees may be settled by means of one of the following two modes of payment. Annexure A, Payment Terms for Student Fees, must be completed, signed by the student and parents and returned to Ms. S. Everts by means of email on or before 15 December.

#### **Option 1: Full settlement of all fees relating to the academic year on the day of registration.**

Only if all study and related fees are paid in full for the academic year at registration a request for a 3% rebate on the tuition fees (subject / modules fees only) can be submitted to the Debt Administration section. The payment for the full academic year must be done within 3 days of registration, if payment is not received within the 3 days the 3% rebate option will then fall away and option 2 semester payments will be activated. See option 2 below.

**Please Note:** No Rebate will apply if there are outstanding fees from the previous academic years. The previous academic years fees must therefore be paid before the 3% rebate can come into effect.

All monies received on day of registration are allocated as follows:-

1. The compulsory first payment for the registered academic year.
  - o Registration fee
  - o Computer usage fee
  - o Continuation fee
  - o Laboratory fee
  - o Printing and Photocopy fee
  - o Meal Coupon fee
  - o Meal activation fee
2. Outstanding amount from the previous academic years, and then
3. Accommodation costs and subject fees.

**Option 2: Three instalments per academic year**

Payment in three instalments, with the compulsory first payment by registration and two further payments at the end of March and the end of July, with the amount equal to that semester's outstanding fees.

The compulsory first payment on the day of registration includes the following fees:

- ❖ Registration fee (or late registration fee)
- ❖ Computer usage fee, if applicable
- ❖ Continuation fees, if applicable
- ❖ Laboratory fee, if applicable
- ❖ Photocopy fee, if applicable
- ❖ Printing fee, if applicable
- ❖ Meal coupon fee
- ❖ Meal activation fee, if applicable

The second payment at 31 March must include the total outstanding amount relating to the first semester fees as indicated on the day of Registration. The third payment at 31 July must reflect the total outstanding fees for the second semester.

Refer to paragraph 6 for tariffs and detail per fee.

**Interest will be charged on all outstanding amounts after the dates as set above.**

## 2.2 Payment methods

Debit card, credit card and EFT facilities will be available on the day of registration.

### 2.2.1 EFT payments

Payment is preferred by direct deposit into the following bank account:

Office hours for payments at the cashier: Mondays to Fridays, 08:00 to 15:30.

## 2.3 Failure to pay and charging interest

2.3.1 Interest will be charged on all outstanding amounts after the set dates in paragraph 2.1. Interest will start accumulating from 1 June on the first semester's outstanding fees if not paid on 31 March and from 1 October on the second semester's outstanding fees if not paid by 31 July.

2.3.2 The Western Cape Department of Agriculture (WCDoA) will institute legal actions to recover outstanding amounts including all legal costs and interest.

2.3.3 Students may not be allowed to register for a next study year unless all outstanding debts are paid in full. The student will only be allowed to register by paying in full for the new study year at registration or by paying all outstanding debts in full.

2.3.4 At the end of the final study year a student's exam results may be withheld if their student accounts are not settled a week prior to the day of graduation.

2.3.5 Invoices are sent out during May and September. **Statements are sent out** during June and October. Non-receipt of the statement shall not be grounds for non-payment or late payment. The onus is on the student to ascertain the outstanding amount and make payment by the due date.

2.3.6 Study and accommodation fees are payable in full, regardless of whether any service provided by the College is disrupted by circumstances beyond the College's control, such as strikes, student boycotts, public unrest or any other type of disruption on campus.

### **3. BURSARIES**

#### **3.1 Application for Elsenburg Agricultural Training Institute study bursary**

Prospective students should apply for a bursary on or before 30 September. No late applications will be considered.

The criteria for bursary applications at EATI are based on transparency, fairness and the promotion of the WCDoA's transformation objectives. Please note that a limited number of bursaries are available and meeting the criteria does not guarantee entitlement. Allocation will be according to the bursary priorities set by EATI.

The bursary application form, obtainable from the department or online, must be fully and correctly completed and signed by the applicant and if applicable, his/her parent or guardian. All documents requested on the application form must be submitted and failure to comply may result in the application being deemed incomplete. Only applications submitted on the prescribed application form and completed applications will be considered. The use of tippex on application forms is strictly prohibited and **no faxed/emailed application forms will be accepted. ANY FALSE INFORMATION SUPPLIED WILL LEAD TO THE IMMEDIATE CANCELLATION OF A BURSARY.**

Successful applicants will be informed during **November**. Applicants who do not receive notification prior to registration in **January** must consider their applications as having been unsuccessful. Bursary holders may not accept more than one bursary with service obligations.

Please note that the successful candidates must submit a copy of the approval letter (or contract) and a copy of their ID at registration. It is the student's responsibility to obtain this letter (contract) from Student Administration **before registration**. No registration will be allowed without this letter.

#### **3.2. Other Bursary Holders**

Bursary holders are personally responsible for the payment of their student fees. The onus rests on the student to ensure that a bursary payment is received before the payment due dates as stipulated in paragraph 2.1. If no payments are received on the due dates as stipulated the student will then be held liable for payment of all outstanding fees.

A copy of written proof that a bursary has been awarded, which indicates specifically the amount of the bursary, and a copy of the contract with the bursar must be submitted to the Debt Administration Section, preferably before registration or otherwise during registration. Proof of bursaries can also be sent via e-mail to [accounts@elsenburg.com](mailto:accounts@elsenburg.com).

#### 4. PROCEDURES ON THE DAY OF REGISTRATION

- 4.1. A **compulsory** registration fee is payable prior to the day of registration. Proof of payment of the registration fee **must** be presented on the day of registration.

The student will be directed to the pay point.
- 4.4. All students (including bursary holders) must report to the pay point to settle outstanding accounts and to submit bursary approvals and other documentation where applicable. Also refer to par. 2.3.3. of this manual regarding outstanding debts.
