2016

**TITLE**  
**PROGRAMME MANAGEMENT IMPROVEMENT PLAN**

**1. MANAGEMENT RESPONSE ON RECOMMENDATIONS**

| <b>Recommendation</b>   | <b>Record of agreement or disagreement</b> | <b>Reasons for disagreement</b> |
|---|--|---------------------------------|
| 1 The theoretical, practical and work integrated learning (WIL) components of the Higher Certificate and Diploma programmes could be better balanced.   | Agree                                      | N/A                             |
| 2 EATI should also explore the potential to offer an HET qualification which allows for students to become Agricultural Extension Officers, or at least establish pathways (via other institutions) for graduates to pursue this as a career. | Agree                                      | N/A                             |
| 3 The EATI should negotiate with universities in the Western Cape and other provinces to accept B.Agric graduates directly into their Honours programmes.   | Agree                                      | N/A                             |
| 4 A closer, more functional relationship with the agricultural industry could facilitate more extensive practical and work exposure for students and elicit regular input regarding the alignment of the curriculum with industry needs.      | Agree                                      | N/A                             |
| 5 Formal academic support should be provided to students to help them succeed and complete their qualifications.  | Agree - can be improved                    | N/A                             |

| Recommendation   | Record of agreement or disagreement | Reasons for disagreement |
|--|-------------------------------------|--------------------------|
| 6 <b>Filling vacant positions</b> at the college as a matter of urgency (particularly the Academic Head and student support staff) is a priority which would reduce lecturers' workload and stress and provide the organisational and support functions needed to get the college running smoothly | Agree                               | N/A                      |
| 7 More resources should also be put into <b>marketing the SAET HET programmes and recruiting</b> high-quality students, particularly females and students from previously disadvantaged backgrounds.   | Agree                               | N/A                      |
