## 2. PAYMENTS

### 2.1 Payment Modes

Annual student fees may be settled by means of one of the following two modes of payment. Annexure A, Payment Terms for Student Fees, must be completed, signed by the student and parents and returned to Ms. Z. Hendricks by means of email on or before 14 January.

#### **Option 1: Full settlement of all fees relating to the academic year on the day of registration.**

Only if all study and related fees are paid in full for the academic year, at registration a request for a 3% rebate on the tuition fees (subject/modules fees only) can be submitted to the Debt Administration section. The payment for the full academic year must be done within 3 days of registration, if payment is not received within 3 days the 3% rebate option will then fall away and option 2 to settle in two payments will be activated. See option 2 below.

**Please Note:** No Rebate will apply if there are outstanding fees from the previous academic years. The previous academic year's fees must therefore be paid before the 3% rebate can come into effect.

All monies received the on day of registration are allocated as follows:-

1. The compulsory first payment for the registered academic year.
  - ❖ Registration fee
  - ❖ Network charge
  - ❖ Printing and Photocopy fee
  - ❖ Meal Coupon fee
  - ❖ Meal activation fee
2. Outstanding amount from the previous academic years, and then
3. Accommodation costs and subject fees.

## **Option 2: Two instalments per academic year**

Payment in two instalments, with the compulsory first payment by registration and a further payment at the end of May, with the amount equal to the outstanding fees.

The compulsory first payment on the day of registration includes the following fees:

- ❖ Registration fee (or late registration fee)
- ❖ Network Charge
- ❖ Printing and Photocopy fee, if applicable
- ❖ Meal coupon fee
- ❖ Meal activation fee, if applicable

The second payment on 31 May must include the total outstanding amount relating to the subject and accommodation fees as indicated on the day of Registration.

Refer to paragraph 6 for tariffs and detail per fee.

**Interest will be charged on all outstanding amounts after the dates as set above.**

## **2.2 Payment methods**

Debit card, credit card and EFT facilities will be available on the day of registration.

### **2.2.1 EFT payments**

Payment is preferred by direct deposit into the following bank account: (Please note that this account is only for academic fees and not sports fees, any sport fees paid into this account will be allocated to the academic fee account)

## 2.3 Failure to pay and charging interest

- 2.3.1 Interest will be charged on all outstanding amounts after the set dates in paragraph 2.1. Interest will start accumulating 30 days after registration if no payment is received.
- 2.3.2 The Western Cape Department of Agriculture (WCDoA) will institute legal actions to recover outstanding amounts including all legal costs and interest.
- 2.3.3 Students will not be allowed to register for the next year of study unless all outstanding debts are paid in full. The returning student will only be allowed to register in the new year by paying in full all outstanding debt or by making the necessary financial arrangements to pay by completing the payment arrangement forms that are available from Ms. Hendricks in the Debt Administration section.
- 2.3.4 At the end of the final study year, the examination results of a student may be withheld if financial accounts are not settled by the end of November of that academic year.
- 2.3.5 **Statements are sent out from March to December.** Non-receipt of the statement shall not be grounds for non-payment or late payment. The onus is on the student to ascertain the outstanding amount and make payment by the due date.
- 2.3.6 Study and accommodation fees are payable in full, regardless of whether any service provided by the College is disrupted by circumstances beyond the College's control, such as strikes, student boycotts, public unrest, or any other type of disruption on campus.
- 2.3.7. All fees must be paid or arrangements made with the Finance unit before a student is allowed to fulfill the conditions necessary for graduation.

## 3. BURSARIES

### 3.1 Application for Elsenburg Agricultural Training Institute study bursary

Prospective and continuing senior students should apply for a bursary on or before 30 September the year prior to the academic year where funding is sought. No late applications will be considered.

The criteria for bursary applications at EATI are based on transparency, fairness and the promotion of the WCDoA's transformation objectives. Please note that a limited number of bursaries are available and meeting the criteria does not guarantee entitlement. Allocation will be according to the bursary priorities set by EATI.

The bursary application form, obtainable from the department or online, must be fully and correctly completed and signed by the applicant and if applicable, his/her parent or guardian. All documents requested on the application form must be submitted and failure to comply may result in the application being deemed incomplete. Only applications submitted on the prescribed application form and completed applications will be considered. The use of tippex on application forms is strictly prohibited and **no faxed/emailed application forms will be accepted. ANY FALSE INFORMATION SUPPLIED WILL LEAD TO THE IMMEDIATE CANCELLATION OF A BURSARY.**

Successful applicants will be informed during **November**. Applicants who do not receive notification prior to registration in **January** must consider their applications as having been unsuccessful. Bursary holders may not accept more than one bursary with service obligations.

Please note that the successful candidates must submit a copy of the approval letter (or contract) and a copy of their ID at registration. It is the student's responsibility to obtain this letter (contract) from Student Administration **before registration**. No registration will be allowed without this letter.

### **3.2. External Bursary Holders**

Bursary holders are personally responsible for the payment of their student fees. The onus rests on the student to ensure that a bursary payment is received before the payment due dates as stipulated in paragraph 2.1. If no payments are received on the due dates as stipulated the student will then be held liable for payment of all outstanding fees.

A copy of written proof that a bursary has been awarded, which indicates specifically the amount of the bursary, and a copy of the contract with the bursar must be submitted to the Debt Administration Section, preferably before registration or otherwise during registration. Proof of bursaries can also be sent via e-mail to [DOA.Accounts@westerncape.gov.za](mailto:DOA.Accounts@westerncape.gov.za).

- 3.3. Please take note that statements will be sent out by the debt administration section every month up and until the bursary has been paid/allocated, it is the student's responsibility to follow up with the bursar as to when they are going to settle the student's account.

## **4. PROCEDURES ON THE DAY OF REGISTRATION**

- 4.1. A **compulsory** registration fee is payable prior to the day of registration. Proof of payment of the registration fee **must** be presented on the day of registration or emailed to [DOA.Accounts@westerncape.gov.za](mailto:DOA.Accounts@westerncape.gov.za), the student number and surname must be used as a reference.

Whether you are a continuing, new, or re-entering student, additional charges will be applied to your account if you do not register for courses by the published dates for registration. A **late registration fee** is applicable in addition to the registration fee.
- 4.3. A verification of results will be conducted and if it becomes apparent the applicant does not meet the minimum admission requirements, he/she will not be admitted. After verification of results students will select their subjects for the year and a cost statement will be printed indicating all fees payable for the semester. The student will be directed to the pay point.
- 4.4. All students (including bursary holders) must report to the pay point to settle outstanding accounts and submit bursary approvals and other documentation where applicable. Also, refer to par. 2.3.3. of this guide regarding outstanding debts.

The written notice of discontinuation of studies must be handed in at the Student Administration office. Discontinuing students are also required to complete a Discontinuation of Studies form which is obtainable from the Student Administration Section or the Department's website under Elsenburg College.

If the written notice of discontinuation of studies states no date of discontinuation, the date of receipt of such notice shall be used for the purpose of calculating the outstanding amount.
