

ELSENBURG AGRICULTURAL TRAINING INSTITUTE
Higher Education and Training

General Notice: Repetition of Modules | 2023

In accordance with Academic Rule 8.5, a student is only allowed two opportunities to successfully complete a module in order to continue with his/her studies at the Institute. Students who fail to pass a repeated module, and subsequently do not comply with the readmission requirements, will not be allowed to continue with their studies and must consequently apply for readmission to the Elsenburg Agricultural Training Institute (EATI).

1. Communication

Students who have failed repeat modules will be informed of this via email on or before 18 December 2023.

2. Administrative Procedure

An application form, which must be used to apply for readmission, will accompany the e-mail mentioned above. It will be explained in the e-mail and application form what such students need to do to apply for readmission.

3. Due Dates

The closing date for submission of readmission appeals is on 05 January 2024. **Please note that no late applications for readmission will be accepted.**
