

**ELSENBURG AGRICULTURAL TRAINING INSTITUTE**  
**Higher Education and Training**

**General Notice: Repetition of Modules | 2024**

In accordance with Academic Rule 8.5, a student is only allowed two opportunities to successfully complete a module in order to continue with his/her studies at the Institute. Students who fail to pass a repeated module, and subsequently do not comply with the readmission requirements, will not be allowed to continue with their studies and must consequently apply for readmission to the Elsenburg Agricultural Training Institute (EATI).

**1. Communication**

Students who have failed repeat modules will be informed of this via email on or before 18 December 2024.

**2. Administrative Procedure**

An application form, which must be used to apply for readmission, will accompany the e-mail mentioned above. It will be explained in the e-mail and application form what such students need to do to apply for readmission.

**3. Due Dates**

The closing date for submission of readmission appeals is on 03 January 2025. **Please note that no late applications for readmission will be accepted.**
