Year Planner 2025

Semester 1

Please note

Before making a final choice of modules (subjects), every student should closely consult the relevant timetables. Should it then become apparent that two modules fall in the same time slot on a particular timetable (class-, test-, examination- and supplementary examination timetable), the Institute may prohibit the registration for one of these modules (subjects). Students must ensure that they are placed in a practical group, which cannot be changed.

The Institute reserves the right to amend the year planner at any time. The Institute accepts no liability for any inaccuracies that may be in the year planner. Every reasonable care has been taken to ensure that the relevant information at the time of going to press is provided in the year planner.

Mr P Rockman
Acting Principal
