

ELSENBURG AGRICULTURAL TRAINING INSTITUTE
Higher Education and Training

General Notice: Cumulative credit requirement for readmission | 2025

In accordance with the academic rules of the Elsenburg Agricultural Training Institute (EATI), students must achieve a minimum number of credits each academic year to remain in good academic standing. Students registered for full-time degree, diploma, or certificate programmes who do not meet the required cumulative credits by the end of the academic year will be academically excluded. These students will be required to submit a formal readmission application should they wish to continue their studies in the subsequent academic year.

1. Communication

Students who are academically excluded based on this rule will be informed via email on or before 18 December 2025.

2. Administrative Procedure

The notification email will include the official Readmission Application Form, along with detailed instructions on the process to follow. Only this form may be used when submitting a readmission request.

3. Submission Deadlines

The closing date for submission of readmission appeals is 02 January 2026. Late submissions will not be accepted under any circumstances.
