Reference: PCR

Dear valued client,

**PCR section open for testing (Avian Influenza & African horse sickness)**

The PCR section at the Western Cape Provincial Veterinary Laboratory is open again. Testing for Avian Influenza and African horse sickness will continue as per the specimen submission guideline. The specimen submission guideline and sample submission form are available on the Western Cape Provincial Veterinary Laboratory Services web page: <https://www.elsenburg.com/veterinary-services/veterinary-laboratory-services/>

For any further questions, please do not hesitate to contact me.

Kind regards,

DR ALIDA AVENANT
